Annual Information Update

AEA Technology plc ("the Company") is pleased to provide its Annual Information Update.

This update refers to information that has been published or made available by the Company to the public in the period 30 June 2009 to 30 June 2010 (the Company issued its preliminary results for the financial year ending 31 March 2010 on 24 June 2010). To avoid an unnecessarily lengthy document information is referred to in this update rather than included in full.

This Annual Information Update is required by and is being made pursuant to Article 10 of the Prospectus Directive as implemented in the United Kingdom (Prospectus Rule 5.2) and not for any other purpose and neither the Company, nor any other person, takes responsibility for, or makes any representation, express or implied, as to the accuracy or completeness of, the information which it contains. This information is not necessarily up to date as at the date of this annual information update and the Company does not undertake any obligation to update any such information in the future.

This Annual Information Update does not constitute an offer of any securities addressed to any person and should not be relied on by any person.
